## *Piedmont Interstate Fair*

### **More Than Just A Fairgrounds** *~ Facilities Available for Rental Year-Round ~*

Ask most people about the Piedmont Interstate Fairgrounds and chances are good they'll describe it as a fun place that draws 50,000 people each October to the annual fair serving Spartanburg, Union, Cherokee, Laurens, Polk, and Rutherfordton counties. But we are much more than just a fairground. We have some of the best facilities and logistics in the state for events of all kinds. We have an all-weather commercial display and recreational center for a variety of activities that features 20,000 square feet of floor space.

We can also offer virtually unlimited parking, both outside and inside the fairgrounds, with security services available for protection of patrons and their vehicles during events. The fairgrounds are well illuminated. We also have a grandstand area that seats 2,500 and an additional 6,000 square feet for Agriculture exhibits. There are 10 acres of fenced, open space immediately adjacent to our buildings and 6 acres of open space in front of the grandstand.

Our facilities and complimentary services make the fairgrounds the ideal venue for functions such as trade shows and exhibits, special company functions like annual parties and picnics, revivals and musical programs, jamborees and conventions, sports activities, circuses, fundraising events for civic and charitable groups, auto, boat, and motorcycle shows, dog, cat, and reptile shows, machinery shows, and flea market type sales.

Our rate schedule can be tailor-made depending on your needs and the services you require. Our personnel can also offer valuable advice on organizing your events based on years of experience. We meet with all clients and groups to answer any questions and explain the advantages of securing the fairgrounds for your next event or program.

Check us out and allow us to discuss your particular needs. Our prices are very competitive and we feel we have a unique, one-of-a-kind entertainment complex in this area.

- A fee will be charged for days of set-up and/or dismantling, negotiated on an individual basis.
- Piedmont Interstate Fair reserves all concession rights at events. Different arrangements will be considered by management on an individual basis.

**~ Note: All rules are subject to negotiation. ~**

The Piedmont Interstate Fair Association was formed in 1945 with the first fair being held at its present location in 1946. Capital was raised for the purchase of the assets of the Spartanburg County Fair by selling memberships to businessmen and farmers from six counties, Polk and Rutherford Counties in North Carolina and Spartanburg, Cherokee, Union and Laurens in South Carolina. Over nine hundred memberships were sold at \$20.00 each. These funds, as well as fine stewardship by the Board of Directors and staff, has culminated in the facilities, activities and services the Fair provides every year to the community.

The Association has made numerous improvements to the grounds over the past 73 years. The food court, two large exhibit halls, a pavilion, offices, barns, the Ag building and the grandstands; all of these venues are vital to hosting a successful Fair. They are all also available for events throughout the year. Car shows, rodeos, circuses, community events and parties are hosted on a regular basis. You are encouraged to inquire about rentals at our Fair office. The Fair has also undertaken parking lot improvements, new road signage, and upgraded landscaping. The Association continues to partner with the City of Spartanburg, Northside Development Group and School District 7 to improve the community around the Fairgrounds. The newly renovated basketball park, the Franklin Learning Center and new construction are improving the quality of life for citizens in the area.

The Fair is governed by a 20-member volunteer board with three full-time employees; an executive director, an administrative assistant, and facilities superintendent. During Fair week the Association employees more than 100 associates to assist with making the Fair a successful and enjoyable experience for our patrons. We also employ Spartanburg Police Department officers and Spartanburg Sheriff's Office deputies to ensure the safety of our patrons. Spartanburg Medical Center EMTs are also on site for medical emergencies.

Pepsi Beverages Company of Spartanburg, a division of Pepsico, continues as our primary sponsor and the exclusive beverage provider for the Piedmont Interstate Fair.

In 2000, our organization attained a 501 (c) 3 nonprofit status with the IRS. Our Fair has a long standing record of providing good, wholesome, family-oriented entertainment for its patrons suitable for the entire community. In addition, our Fair provides countless opportunities for members of our community to display their talents, hobbies, and prize possessions and receive recognition and awards for their efforts.

As a part of the Fair Associations commitment to the community we also engage in activities to assist the community. The Fair Association Board sponsors the yearly School District 7 Cleveland Academy of Leadership's Barrier Island field trip for fifth grade students. Last year, and continuing this year, we began a sponsorship of activities for the Children's Cancer Partnership of the Carolinas. In partnership with Reithoffer Shows, Pepsi Beverages, and the Spartanburg Police Club, we are able to provide rides, entertainment and food to children as they face the challenges of cancer. On our opening night we conduct a food drive with Total Ministries, offering discounted

entry tickets in exchange for food donations. Each year thousands of pounds of non-perishable food items are donated to assist the needy of our community.

The Fair conducts numerous contests for school age children each year giving them an opportunity to be involved in their county fair, win prizes for themselves and for their schools, and be helpful to others in their community. This year students can also write an essay for our ***Why I Love The Fair*** contest and be recognized for their creative writing skills.

The Art Department receives exhibits from the young novice as well as the more seasoned and talented artist. This department, as well as the House of Flowers, have been an integral part of the Fair and draws a large number of patrons that can view the talents and creativity of community members.

The Fair places emphasis on agriculture, commerce and educational opportunities for children. Our cattle barns have a wide array of farm animals and fowl at our annual event for the benefit of all our patrons. The Agriculture Building has competitive exhibits of farm products and food arts from cakes to pickles. In addition, there is a live beehive, an American Legion educational display, handmade birdhouses and numerous other educational displays. To all of these beautiful, interesting, and educational exhibits, we add a traditional carnival with all the thrills, lights, sounds and aromas so familiar from our childhoods. The Agriculture Building also presents our ***Bowling Buddies, Pumpkin Faces***, and our new ***Dinosaur Diorama*** contests, providing avenues for creativity for all ages.

The Piedmont Interstate Fair also sponsors South Carolina Meat 4-H/FFA Goat Project. This show held every year on Tuesday night allows youth to display their animal husbandry skills at the Junior Meat Goat Show.

Tradition and history are always at the forefront of the Fair. There is no other venue like a county fair and no other fair like the Piedmont Interstate Fair. For 73 years we have strived to provide our community with a great experience. Each year our leadership looks for new and innovative ways to provide an exceptional experience to our patrons, for the most affordable price. The Piedmont Interstate Fair Association will continue to be a valuable community asset to Spartanburg and all of the surrounding areas.
