Piedmont Interstate Fair

More Than Just A Fairgrounds
~ Facilities Available for Rental Year-Round ~

Ask most people about the Piedmont Interstate Fairgrounds and chances are good they'll describe it as a fun place that draws 50,000 people each October to the annual fair serving Spartanburg, Union, Cherokee, Laurens, Polk, and Rutherfordton counties. But we are much more than just a fairground. We have some of the best facilities and logistics in the state for events of all kinds. We have an all-weather commercial display and recreational center for a variety of activities that features 11,000 square feet of floor space.

We can also offer virtually unlimited parking, both outside and inside the fairgrounds, with security services available for protection of patrons and their vehicles during events. The fairgrounds are well illuminated. We also have a grandstand area that seats 2,500 and an additional 6,000 square feet for Agriculture exhibits. There are 10 acres of fenced, open space immediately adjacent to our buildings and 6 acres of open space in front of the grandstand.

Our facilities and complimentary services make the fairgrounds the ideal venue for functions such as trade shows and exhibits, special company functions like annual parties and picnics, revivals and musical programs, jamborees and conventions, sports activities, circuses, fundraising events for civic and charitable groups, dog, cat, and reptile shows, machinery shows, and flea market type sales.

Our rate schedule can be tailor-made depending on your needs and the services you require. Our personnel can also offer valuable advice on organizing your events based on years of experience. We meet with all clients and groups to answer any questions and explain the advantages of securing the fairgrounds for your next event or program.

Check us out and allow us to discuss your particular needs. Our prices are very competitive, and we feel we have a unique, one-of-a-kind entertainment complex in this area.
